BOP-Pro overview

BOP-Pro businessowners policy from UFG Insurance is designed for a wide range of small- to medium-sized businesses, with coverage available to owner occupants, lessors of property and tenant occupants.

Basic eligibility criteria and any segment-specific requirements must be met to qualify for the Pro-Quote experience. Preferred risk characteristics and eligibility criteria are noted in each segment. Only the classes listed within each segment are available to quote through the Pro-Quote experience.

Supporting lines for eligible BOP risks include: commercial auto, cyber, umbrella and workers compensation. Coverage option examples for eligible risks include: hired and non-owned auto, inland marine and professional liability.

For the quickest Pro-Quote experience, consider the following basic criteria:

- Buildings built within the last 35 years or that have had updates within the last 15 years.
- Businesses should have profitable prior loss experience. Hard copy loss history from current and/or previous carriers may be required.
- Less than $7M in combined property values per location.
- 10 locations or less, more available with underwriting.
- Businesses should be in sound financial condition.
- Businesses should have been in continuous operations for a minimum of three years. New ventures with significant and relevant experience can be eligible with a resume.

All submissions are subject to eligibility criteria and UFG underwriting guidelines, which may have some slight variance by state. The information in this document should be used as a guide only. Please consult with your UFG small business territory manager or underwriter if you have questions about appetite.
